Re: Bus operated along  
Hamilton Road from  
East Millstone to New  
Brunswick.

105. 576-OPRPT-DT

Jeremiah H. Bennett, who is in the garage business at East Millstone, owned and operated the bus between East Millstone and New Brunswick during September, 1922.

According to Bennett, the bus left New Brunswick at 5 P.M. and there was no further trip until it left East Millstone at 9:30 P.M., leaving New Brunswick on its return at 10 P.M. When it reached East Millstone it "tied up" for the night.

The running time from East Millstone to the vicinity of the Gibson Farm and de Russey's Lane was about twenty minutes, so that a bus going toward East Millstone passed about 5:10 P.M., one going toward New Brunswick about 9:50 P.M. and the last going to East Millstone at 10:10 P.M. All times set forth being daylight saving. This schedule was true of September 14th, 1922, and Louis Burroughs was the driver of the bus that night.

Burroughs, who resides at Millstone, agrees with Bennett as to schedule, etc.

Respectfully submitted:

D.T.
